WSU Assessment Update

February 2018

We are pleased to announce "Assessment Update," a bite-sized monthly email intended to communicate news and resources that will help you implement good assessment practices and leverage the resources we offer within ATL.

NEW! Assessment plans provide a roadmap for assessment activities and decision-making. ATL's **Assessment Plan Toolkit** provides exemplars, templates, and guidance on creating an assessment plan from scratch (or revising a plan that already exists).

To explore the toolkit, please visit ATL's online assessment resources:
