

# ATL Assessment Digest

November 2019

## Celebrating Assessment Excellence at WSU

On November 6th, the Office of Assessment of Teaching and Learning (ATL), Interim Provost Bryan Slinker, and Vice Provost Mary F. Wack hosted the second Celebration of Assessment Excellence, shining a spotlight on good practices in learning outcomes assessment and the efforts of program faculty, faculty assessment coordinators, chairs, and directors.

At the event, Vice Provost Wack was delighted to recognize 13 undergraduate programs for:

- collecting measures aligned with program-level student learning outcomes,
- engaging faculty in discussing the assessment results, and
- using this assessment evidence to guide decisions about curriculum and /or instruction.

The event's program illuminated how effective assessment contributes to WSU's educational quality, student achievement, and land-grant mission in varying disciplines and over multiple campuses.

## WSU-wide Assessment Summary Available

WSU's undergraduate degree programs report annually on their system of assessing student learning. See the [2019 WSU-wide Summary of Undergraduate Degree Program Assessment Reports](#) for snapshot of undergraduate program assessment at WSU.

## Examples of Use of Assessment

Assessment may guide decision-making related to curriculum and instruction, or other aspects of the program, including assessment processes. See [examples of the many ways WSU programs use assessment to inform decisions](#).
